

GIS in Economic Development

Table of Contents:

Demonstration Project	
Project Overview Page	ED-1
Presentation 1 – Economic Development	ED-3
Presentation 2 – The Project Management Model (PMM)	ED-9
Presentation 3 – Navigating ArcGIS 9.x.....	ED-13
Project Plan	ED-19
Presentation 4 – Creating the Base Map	ED-23
1.0 Project Implementation – Base Map Creation.....	ED-29
<i>ArcGIS 9.x Topics:</i>	
Launching ArcGIS Programs.....	ED-29
Connecting to Folders in ArcCatalog.....	ED-30
Changing the Name of the Data Frame (Data Frame Properties)	ED-33
Adding Data to ArcMap	ED-34
Changing Layer Name (Layer Properties).....	ED-34
Changing Symbology of Vector Data	ED-36
Changing Symbology of Image Data.....	ED-37
Changing Display Units (Data Frame Properties)	ED-40
Adding a New Group Layer to the Map Document.....	ED-43
Saving a Map Document	ED-44
Creating a Map Layout	ED-46
Exporting a Map Layout.....	ED-45
Printing a Map Layout.....	ED-50
Presentation 5 – ArcGIS Tools & Techniques for Regional Indicators.....	ED-52
2.0 Project Implementation – Regional Indicators.....	ED-61
2.1 Political Boundaries and Land Use Districts.....	ED-62
Opening an Existing Map Document	ED-63
Adding Data to a New Group Layer	ED-66
Changing Label Properties of a Data Layer	ED-69
Labeling Features in the Map Display	ED-69
Creating a Map Layout with Multiple Data Frames	ED-74
Removing a Data Frame from a Map Document.....	ED-79
Using the Select by Attributes Method to Select Features.....	ED-94
Using the Select by Location Method to Select Features	ED-95
Opening an Attribute Table.....	ED-96
Converting Labels to Annotation	ED-98
2.2 Physical Landscape Features	ED-115
Loading an Extension Program in ArcMap.....	ED-118
Querying Raster Data using the Spatial Analyst Raster Calculator	ED-119
Using Source & Display Modes in ArcMap.....	ED-129
Opening a Text Table in ArcMap.....	ED-132
Joining a Text Table to an Attribute Table.....	ED-133
Modifying the Transparency of a Vector Data Layer	ED-145
Editing Legend Properties	ED-148
2.3 Population Demographics and Workforce Profile	ED-153
Exporting Data.....	ED-158
Removing a Data Layer.....	ED-159
Examining Classification Methods for Layers Displayed using Graduated Color Symbology	ED-167
Using Data Exclusion Properties.....	ED-168
Displaying Data Statistics.....	ED-169
Adding a Field to an Attribute Table	ED-173

Using Calculate Values to Add Data to a Table	ED-174
2.4 Transportation and Utility Infrastructure	ED-217
Downloading Data from an Online Source	ED-219
Managing Downloaded Data in Microsoft Excel.....	ED-220
Displaying Downloaded Tabular Data in ArcMap.....	ED-224
Exporting Event Data Created from Downloaded Data.....	ED-225
Exporting Selected Features as a New Layer	ED-226
2.5 Health, Safety, Education and Recreation	ED-255
Acquiring Address Data from an Online Source.....	ED-258
Creating a New Address Locator Service in ArcCatalog.....	ED-262
Geocoding Addresses from a Text Table in ArcMap	ED-262
2.6 Business Patterns.....	ED-275
Presentation 6 – ArcGIS Tools & Techniques for Site Suitability.....	ED-293
3.0 Project Implementation – Site Suitability	ED-299
3.1 Knock-Out Constraints	ED-300
Setting Analysis Extent using Spatial Analyst	ED-301
Analyzing Slope using Spatial Analyst	ED-302
Converting Feature Data to Raster Data using Spatial Analyst	ED-303
Reclassifying Raster Data using Spatial Analyst.....	ED-305
Determining Distance using Spatial Analyst.....	ED-306
3.2 Proximity to Constraints.....	ED-317
Converting Raster Data to Feature Data using Spatial Analyst	ED-321
3.3 Proximity to Opportunities	ED-340
3.4 Suitability Analysis.....	ED-356
Presentation 7 – ArcGIS Tools & Techniques for Site Selection	ED-359
4.0 Project Implementation – Site Selection.....	ED-363
Creating a Report	ED-367
Editing a New Shapefile in ArcCatalog.....	ED-372
Adding Data to a New Shapefile in ArcMap	ED-373
Adding Longitude/Latitude Data to Site Table.....	ED-376
Editing Report Properties	ED-377
Adding Report to Map Layout.....	ED-379
Additional Online Sources	ED-382
Project Presentation – Written Report Instructions	ED-384
Project Presentation – Oral Report Instructions.....	ED-386
Lauderdale Co., MS Demonstration Project	
Project Overview Page	ED-391
Local Project Plan.....	ED-393
Local Project Implementation – Base Map Creation	ED-399
Local Project Implementation – Stakeholders Activity.....	ED-401
Local Project Implementation – Regional Indicators	ED-405
Local Project Implementation – Site Suitability	ED-407
Local Project Implementation – Site Selection	ED-409
Local Project Presentation – Written Report Instructions.....	ED-411
Local Project Presentation – Oral Report Instructions	ED-413
Appendices	
Appendix A – Lauderdale Co. Metadata	A-1
Appendix B – TIGER Data Abbreviations.....	B-1
Appendix C – Land use/Land cover Codes.....	C-1
Appendix D – CFCC Codes.....	D-1
Appendix E – Flood Zone Codes.....	E-1
