

## Table of Contents

### Teacher Manual – Geospatial Project Management Lesson Plans & Assessment Materials

---

#### Lesson Plans

Lesson 1 – Introduction to Project Management.....	v
Lesson 2 – Project Planning .....	vi
Lesson 3 – Project Implementation.....	vii
Lesson 4 – Project Presentation .....	viii
Lesson 5 – Applications of Geospatial Technology.....	ix

#### Assessment Materials

##### Lesson 1: Project Management

Project Management Exercise Example .....	1-3
Project Management Report Example .....	1-7

##### Lesson 2: Project Planning

Project Planning – Stakeholder Exercise Example .....	1-11
Project Stakeholders Report Example .....	1-13

##### Lesson 3: Project Implementation

Project Implementation – Data Acquisition Exercise Keys.....	1-19
--	------

##### Lesson 4: Project Presentation

Project Presentation – Community Forum Exercise Example.....	1-23
--	------

##### Lesson 5: Geospatial Technology Applications

A Day in the Life of GIS – Worksheet Log Example.....	1-27
Project Proposal – Written Report Example.....	1-29
